Yes I would like you to return my cat. Date:..... Time:.....

Please note that we will endeavour to arrive within half an hour of the time stated.

### **Would you like us to feed your cat?**

Ordinarily we ask that you provide sufficient food for your cat for the duration of their stay with us. However we understand that sometimes it is not always practical for you to do so. Unless your cat is on a special diet, we will be happy to provide a good quality dry food for your cat such as Iams, Purina Pro One and Ultima plus additional wet food and treats if specified. The cost for this service is an additional 1.25 euro per day per cat. If you would like this service please select this option on the Registration Form.

Yes I would like you to provide food for my cat.

### **About your cat**

### **Terms and Conditions**

Your cat **must** be micro chipped or tattooed.

You are required to provide us with your cats vaccination card. This must be up to date with all vaccinations.

Unless you wish us to feed your cat while with us, you must bring sufficient food to cover the entire length of their stay.

All owners must declare all information concerning any issues, problems which may affect your cats behaviour, health or safety during its stay. We cannot be held responsible for any incidents that may occur as a result of a lack of disclosure or information.

Cats must be treated for fleas, ticks and worms prior to their stay with us. If your cat is found to have parasites during the stay we will treat accordingly and the charge will be added to the stay invoice.

We are happy to administer any medication your cat needs provided your cat is amenable to being handled otherwise it will require a trip to our vet to carry out any procedure. You must provide sufficient quantity for its stay and a copy of the prescription.

If your cat has a serious heart condition or other life threatening illness which could lead to death during its stay, the owner must discharge all responsibility from us. Please discuss this with us when making your booking.

We will administer medications free of charge except injections which may incur a charge.

If your cat requires a surgical or medical intervention, the cat owner gives his/her consent that we undertake all necessary action concerning the cats health. We will use our own vet and the cost of the visit and treatments will be covered by the owner of the cat.

If your cat has had elective surgery such as neutering, we cannot accept your cat until the stitches have been removed.

Use the space below to add any other information about your cat that you like us to know about.

### **Collection and Abandonment**

- We will only hand over the cat to its owner. If the owner wishes to authorise a third party to collect the cat, the owner should give us the details of the person's identity prior to collection.
- Abandonment: The owner of the cat must respect the dates of a booked stay. Any over stay must be indicated to our establishment in order not to treat the cat as abandoned after more than 8 days without news from its owner. After such time we will be within our rights to re-home the cat and action will be taken against the owner.

### **Reservations**

- All reservations should be validated by the completion of the cat registration form, along with the signed agreement of the client of the Terms and Conditions of Service. A confirmation email will then be sent by return

### **Cancellations**

- If notice of cancellation is given within three weeks of the planned stay, no cancellation fee will be charged.
- If two week's notice of cancellation is given, a charge of 25% of the cost of the booked stay will be required.
- If less than two weeks notice of cancellation is given, a 50% charge of the cost of the booked stay will be required.
- If one week's notice of cancellation is given, the full cost of the stay will be required unless there are exceptional circumstances.
